# *THE LONG AND WINDING ROAD.*

Every day we pass through the same doors, walk the same corridors, sit in the same classrooms, learn in the same shops. During our years, the road, though long and winding, never changes, only our direction and destination.

Courtyards ... frost on
corridor panes ... indoor
suspensions ... classrooms ...
dances ... games ... the morning
walkathons ... the school store ...

the romances ... the Fall Foliage floats ... the "man" ... the gym classes ... Field Day ... the library ... the pep rallies ... the clubs ... the dress code.

These are a few of the memories we'll take with us when we leave that long and winding road.

HOME VISITOR

# *DEDICATION*

MISS THERESA M. BELLINI

To see Miss Bellini hurrying down the corridors is a common sight at McCann. Involved in many phases of school operation and activities since the school opened, she assumed a new role this year as Administrative Assistant in charge of Student Activities. Her new position reflects her interest in and loyalty to the students at McCann. We are proud to dedicate the 1973 ARTISAN to her.
